KAMP is a professional association. Payment of organizational dues is generally deductible as an ordinary and necessary business expense. A portion of dues, however, is not deductible due to the extent KAMP and NAMB engage in lobbying. The non-deductible portion of dues for 2011 is estimated at 27%, which includes both KAMP and NAMB. Contributions or gifts are generally not deductible as charitable contributions for federal income tax purposes. Federal law prohibits the deduction from your taxes that portion of member dues allocated to federal lobbying activities.
